Day in the Life Of...

We love having families in school. Last year, we welcomed Early Years families throughout the year and Year 2 parents joined their child for a school dinner followed by lessons and even a playtime! This year, we are extending this invite to all classes. Book your place and your meal choice via School Spider. Early Years families are just coming along for a 2pm stay and play, so no need to book on this occasion.

Midday Assistant

We are recruiting for a midday assistant to work at school each day from 11:30am to 1pm. This is a great job with lots of rewards. For those considering returning to work or a change of career, this is a good way to find out more about working in a school. No prior experience is required, but you must enjoy working with children, have lots of patience, and be prepared to work hard.

For more information about pay and for an application form, please contact the school office either in person, over the phone, or on admin@parklands.cheshire.sch.uk. All applicants will be subject to a DBS check.

September Social

Wow! Our families are amazing. Through your generosity the September Social raised:

£839!

Thank you to everyone who attended. We hope you had lots of fun!

We would like to thank Mrs Harmes who works so hard to organise these events together with Ms Reid. Thank you also to the team for volunteering their time.

If you would like to help at the fundraising events or if you work for a company who could match fund, please get in touch with Mrs Cairns.

Cyber Safety

Cheshire Constabulary Cyber Protect Officer, Detective Constable Andy Kevan, will be at school at 2:15pm on Monday 7th October 2024. DC Kevan will deliver a **no nonsense, one hour session** for parents/guardians only, looking at the realities of life for children online. The **dangers**, apps to look out for, how to find/parental controls, stats around sharing images, children accessing pornography, deep fakes, AI (Artificial Intelligence) and much more.

You do not need to have any technical knowledge to gain valuable information about your child's online experience. This session will **help you understand the REAL dangers of 'Social Media'** use and give you confidence in starting the conversation around online safety with your child. This input applies to parents/guardians with children in Reception, and years 1 to 6.

We have some spaces left so book on School Spider.
