## Bulletin

WEEK 2

### THIS WEEK

#### Celebrating Reading and Science!

World Book Day was a fantastic celebration, with wonderful costumes sparking great book discussions. A big thank you to parents for your support—we know it can be stressful! We hope you agree, it's worth it for such an engaging day.

We also appreciate those who joined us for the Day in the Life of a Scientist sessions. It was great to see so many engaging with the children's learning. We are looking forward to the sessions next week. Your support makes a real difference!

We have a strong focus on attendance to ensure every child gets the best possible education. If a child's attendance falls below 96%, parents will now receive an early information letter to highlight concerns.

For children with attendance below 90%, we will work together to find solutions, as regular attendance is vital for progress. For example did you know we can support by administering medication such as Calpol or Bonjela during the school day?

### GOLD AWARD WINNERS

Jackson, Lilly H & Carson  
Imogen  
Perry  
Sa'ad  
Evie T  
Bradley  
Mason

# ATTENDANCE MATTERS!

When you're in school you...

Have the best possible start in life!

## Every day in school counts...

and every minute counts...

**Not all classrooms  
have 4 walls**

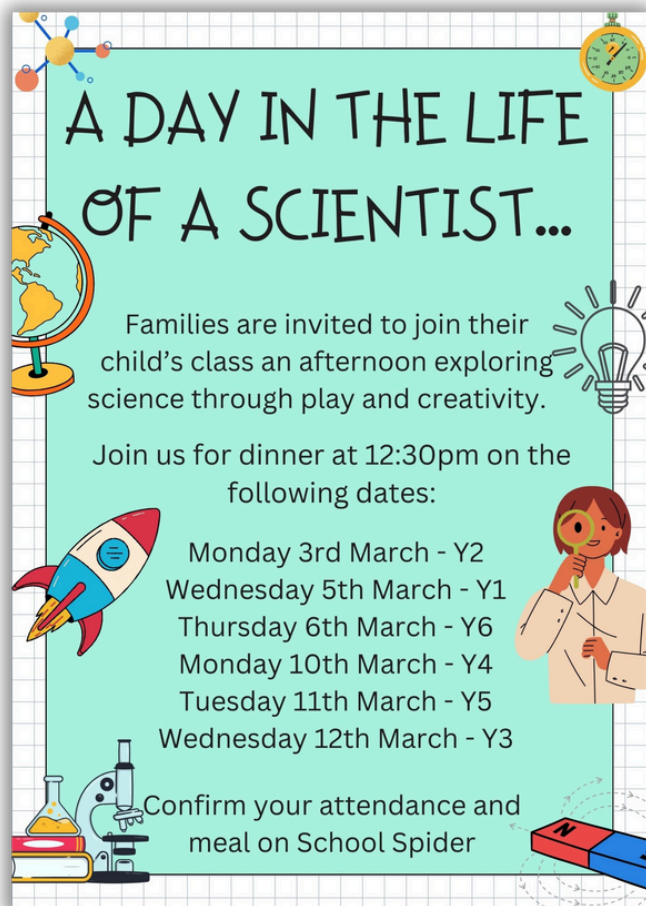

**WELCOME TO SANDY BEARS  
FOREST PRE-SCHOOL**

sandybearssaughall@outlook.com

*And so the adventure  
begins...*

- Flexible sessions Monday- Friday 8-4.30pm TT.
- FREE Funded places for 2, 3 & 4 year olds.
- Qualified, consistent and experienced Forest School Teachers 5 days a week.
- Children are encouraged to grow in confidence, independence and self esteem and develop resilience by achieving new tasks and learning new skills.
- A place where children are excited and curious to learn and see their educators as adults who will facilitate their learning.
- Fun and rich experiences which honour the power of play in the outdoors.
- Inspirational teachers with knowledge and experience when learning with nature and teaching new forestry skills.

**A DAY IN THE LIFE OF A SCIENTIST...**

Families are invited to join their child's class an afternoon exploring science through play and creativity.

Join us for dinner at 12:30pm on the following dates:

- Monday 3rd March - Y2
- Wednesday 5th March - Y1
- Thursday 6th March - Y6
- Monday 10th March - Y4
- Tuesday 11th March - Y5
- Wednesday 12th March - Y3

Confirm your attendance and meal on School Spider

**LET'S BE A SCIENTIST...**

Nursery and Reception Class invite families to join them for an afternoon exploring science through play and creativity.

Join us at 2pm on Thursday 13th March

## Science Shop After School All Week

Our exciting Science Shop is open, offering a fantastic selection of fun science toys like Slinkies, bouncy balls, and slime, with prices ranging from just 50p to £5. Not only will your child love exploring these exciting items, but every purchase also helps us raise money for our school. Please send in some money so your child can join in the fun and take home a little bit of science magic!
